

Headteacher's Reflection

Saying goodbye to staff who have served our school is always hard, regardless of the time they've been a part of the team. Each and every member of staff has an impact on our children's daily lives at Date Valley.

We will treasure the wonderful memories of them all and make dua for them to be happy and content with what life brings them next.

We say goodbye, but they will never be forgotten.

From myself, I would like to thank everyone for their hard work and dedication to Date Valley.
