

## **DATE VALLEY IS PART OF THE SCHOOL STREETS INITIATIVE**

A **school street** is a road near a school with restricted access to vehicles at drop-off and pick-up times. The restricted area is also called a **school safety zone**.

School streets allow children to safely walk, cycle and scoot into school. Reducing vehicle journeys is important for improving air quality, climate change and will help to support a green recovery following restrictions resulting from the COVID-19 pandemic.

Date valley is part of this initiative, therefore the restricted timings for driving up Cricket Green to the school are 8-9.45am and again at 2.45-4pm.

If you plan to visit the school for any reason please keep the restricted timings in mind as Date Valley School cannot be responsible for any fines issued. This is a local government initiative and is led by Merton Council.
